**Cheap Lots.**

The only cheap lots offered in Waco  
 for the last five years are those now  
 on the market in the Kirkpatrick Ad-  
 dition, East Waco. These lots are  
 being sold for one-half their real val-  
 ue, making a chance to secure a de-  
 sirable home such as will never occur  
 again.

**Cheap Lots.**

These lots lie high and dry. They  
 overlook a large portion of the city  
 and have perfect drainage. They lie  
 in the healthiest part of the city, catch-  
 ing the pure breezes from the prairie  
 untainted by passage over any part of  
 the city.

**Cheap Lots.**

These lots have the finest soil, a  
 rich sandy loam, admirable for gar-  
 dens, and are underlaid with pure  
 water in inexhaustible quantities at a  
 depth of fifteen and sixteen feet,  
 which can be used for irrigation.

**Cheap Lots.**

These lots are closer to the center  
 of the city than any other addition,  
 and at the same distance lots are sell-  
 ing for three and five times the price  
 asked for these. There is millions in  
 it for persons of small means. Call on  
 Mrs. or P. G. Kirkpatrick, southwest  
 corner Eighth and Clay street.

All parties desiring plats of the  
 Kirkpatrick addition can obtain them  
 upon application.

Take the trouble to look through  
 this department and if we don't sur-  
 prise you you'll surprise us.

Our 98c men's shoes in lace and con-  
 gress are nothing less than parylizers.  
 We don't mean that they have the  
 least enervating effect upon the  
 wearer, but competitors are strangely  
 affected when they are mentioned;  
 they are simply \$1.50 values. Our  
 1.50, 1.75 and 2.00 men's shoes are  
 proportionately as low, and we are  
 ready to match them against any-  
 thing that can be trotted out at from  
 2.00, 2.50 and 3.00.

If at all fastidious, you want to see  
 what we can do in 2.50 and 3.00 lines.  
 We have handled the same goods for  
 years and are perfectly willing to risk  
 our reputation on their fitting and  
 wearing qualities.

Hand sewed goods that everybody  
 asks 5.00 for we only want 3.00 for.

In Ladies' Shoes we also show the  
 best values in the town.

At 73c we have a kid lace, patent  
 leather trimmed and tipped, also a  
 soft glove grain, light weight button  
 shoe. They are not sold, but never-  
 theless as good as are usually sold for  
 1.00.

Eighty-seven cents is our price for a  
 solid leather, glove grain, button  
 shoe, usually sold for 1.25.

At 1.00 we have kid and glove grain  
 button shoes that are the peers of any-  
 thing usually sold at 1.50.

At 1.25, 1.50 and 1.75 we have neat  
 fitting shoes and elegant values.

Our custom made lines at 2.00, 2.50  
 and 3.00 can't be matched anywhere  
 under 25 per cent. advance.

 ren's, misses and boys shoes in either

**WOMEN.**

The hand that rocks the cradle is the  
 hand that rules the world.

The influence of a mother, the influence  
 of a sister, the influence of a wife. The  
 world feels this influence. It shapes the  
 destiny of men. For a mother's sake, for  
 a sister's sake, for a wife's sake a man will  
 strive to be honorable. He becomes am-  
 bitious. He becomes successful. Happy  
 the household where the women folks are  
 cheerful, contented, and happy. How  
 pitiable the home where mother, sister, or  
 wife lies ill. How glad the remedy that  
 is suited to the needs of womanhood and that  
 will restore nervous, sickly, aching, de-  
 pendent women to health and strength.

**WEAK WOMEN**

Such a remedy as Dr. John Bull's Sarsa-  
 parilla. It is eminently the best remedy  
 for the weakness and distress incident to  
 and following a condition of disordered  
 female functions. It revives, strengthens,  
 and regulates the feminine constitution.  
 Mrs. Mary F. Wilkinson, Jackson, Tenn.,  
 writes:

"I was a very healthy woman before my  
 marriage, but, owing to a miscarriage,  
 my health got to be very bad. My complex-  
 ion became sallow, I became nervous and  
 sleepless, I grew thin and dependent. My  
 appetite was broken, and what I ate laid  
 upon my stomach. My habits were ir-  
 regular, and I suffered much pain. I used

**MADE**

prescriptions of several good doctors, but  
 my ailments increased. A bearing down  
 pain about my back and hips seemed as if  
 it would kill me. I was subject to frequent  
 headaches and other attacks. In this con-  
 dition I began a use of Dr. Bull's Sarsa-  
 parilla. It seemed precisely suited to my  
 condition. Every ailment seemed to go  
 to the right spot. I soon showed great im-  
 provement, and my friends rejoiced at my  
 returning health. I used it during the  
 months of March and April, and give it all  
 the credit for my present enjoyment of life  
 and good health. It is a boon to weak and  
 suffering women."

**STRONG.**

Nelly Davis, Helena, Ark., writes: "Dr.  
 Bull's Sarsaparilla has improved my health  
 wonderfully, also greatly improved my  
 looks. I had eruptions on my face, but they  
 have disappeared, and I was very weak,  
 with no appetite, and at times suffered great  
 pain, but now I feel quite well again."

Many a pale and sickly looking little  
 child has been saved by its good mother  
 giving it Dr. John Bull's Worm Destroyers.  
 They taste good. Price 25 cents.

Nothing makes a person feel so bad  
 as a touch of chills and fever. Smith's Tonic  
 Syrup is pleasant to take, and cures this  
 ailment quickly.

**THE CITY FATHERS.**

A LIVELY SESSION LAST NIGHT.

The Standing Committees Appointed  
 for the Coming Year Appointive  
 Officers Re-Elected—Routine Busi-  
 ness—Policemen to be Appointed  
 at the Next Meeting.

The city council was called to order  
 last night at the usual hour with  
 Mayor McCulloch and all the alder-  
 men except Alderman Brinkerhoff in  
 place.

The minutes of the previous meet-  
 ing was read.

Alderman Hawkins claimed that  
 there was an error in the report of the  
 vote on mayor pro tem. and asked for  
 a correction. The question involved  
 a secret ballot and elicited some very  
 spicy debate.

The final result was that the  
 minutes were adopted as read.

The following appointments for  
 standing committees were then read:

Public Improvement—Slaughter,  
 Latimer, Poage.

Fire Department—Jones, Poage,  
 Brinkerhoff, Hawkins, Latimer.

Waterworks—Hawkins, Brinker-  
 hoff, Lacy.

Streets—Lacy Poage Payne, King  
 and Slaughter.

Schools—King, Jones, Slaughter,  
 Baker, Payne.

Finance—Baker, Jones and King.

Police—Latimer, Jones, Slaughter.

Ordinance—Brinkerhoff, Hawkins,  
 Baker.

Printing—Poage, Hawkins, King.

Sanitary—Payne, Lacy, Hawkins.

Cemetery—Payne, Baker, Lucy.

Gas—Poage, Jones, Payne.

The mayor announced that he  
 would nominate the policemen at the  
 next meeting.

Alderman Jones was appointed  
 chairman of the school committee, but  
 declined to serve, stating that his pri-  
 vate business would prevent him from  
 giving as much time to the work as it  
 would necessitate. Alderman King  
 was appointed in his stead.

The mayor's nomination for the  
 various appointive officers were all  
 confirmed except that of Sexton Sim-  
 mons of Oakwood cemetery, which was  
 referred to the cemetery committee  
 for investigation. All the present in-  
 cumbents were re-elected.

The following telegram was read  
 and ordered filed.

"Has city decided to deliver us  
 bonds under our contract if not will  
 bring suit immediately. We ought  
 not to be expected to wait longer.  
 Wire definite answer." BLAIR & Co.

A petition for refunding of taxes  
 was read and referred to the city at-  
 torney.

A petition from F. C. Cole, C. E.  
 was read and filed. He petitions for  
 the office of city engineer.

This petition was followed by one  
 signed by a large number of promi-  
 nent citizens who requested that the  
 present incumbent be retained.

It was moved that the request be  
 granted.

It was moved as a substitute  
 motion that action be deferred for a  
 week so that a better trade could be  
 made.

The ayes and noes was called and  
 the substitute was then put and carried.

The matter of a contract was re-  
 ferred to the Finance committee.

A petition to move a building on  
 Seventh street was referred to the fire  
 committee.

A petition of L. Magee for taxes  
 collected more than was due was re-  
 ferred to the city attorney.

A number of petitions for the re-  
 funding of impounding fees was re-  
 ferred to the police committee.

A petition was read from the attor-  
 neys of the Waco Female college, trust-  
 ees requesting that a lien now held  
 against the college for street paving  
 be removed. The lien, they claim,  
 was unjust and affected the title of the  
 property and prevented them from  
 selling.

A petition was read and referred to  
 the cemetery committee that Mr. J. E.  
 Napier be appointed as sexton of Oak  
 wood cemetery.

A petition of citizens living on  
 Washington street between Sixteenth  
 and Eighteenth streets was read and  
 referred to the street and gas commit-  
 tee.

A petition was read of the Waco  
 Water and Power company to be per-  
 mitted to lay a water main on Webster  
 street for a block between the alley  
 between Tenth and Eleventh and the  
 alley between Eleventh and Twelfth.  
 This petition caused a great deal of  
 discussion. The motion was made  
 and carried that the matter be referred

to the street committee, city engineer  
 and attorney with power to act.

A long petition was read from the  
 grocers in the city requesting that  
 they be permitted to handle and keep  
 on hand as much as 250 gallons of  
 kerosene and gasoline. Referred to  
 the fire committee.

An invitation from Pat Cleburne  
 Camp Confederates to the city council  
 to attend the Decoration Day exercise  
 on May 3 was read and accepted with  
 thanks.

A petition of Fall & Puckett to be  
 allowed to paint signs on the suspen-  
 sion bridge was read and granted.

The special committee appointed to  
 investigate the telegram from the  
 Northwestern Life Insurance company  
 and to ascertain who wrote the letter  
 of information to them reported.

The letters were sent to them by an  
 almost unknown firm. Why it was  
 sent the recipients could not guess.

Further time was granted on various  
 matters referred to the regular com-  
 mittees.

The ordinance providing for the re-  
 funding of the Waco and Northwes-  
 tern railway bonds, was read for the  
 third time. The ordinance provides  
 for \$41,000 worth of twenty year 6 per  
 cent bonds, and passed unanimously.

The matter was then referred to the  
 printing committee with instructions  
 to have them lithographed.

There was a long discussion over a  
 bill presented for medical services to  
 a drunk in the calaboose when it was  
 shown that said drunk was well able  
 to pay the bill. It was finally re-  
 ferred to the committee for another  
 report.

The city attorney's report on the  
 petition for damages for the killing of  
 a horse by a Hobson line car was  
 read. The report was an adverse one.

The bills of two physicians was  
 read, who were called in to attend a  
 suicide when the city physician was  
 not on hand. It was referred to the  
 finance committee.

The ordinance to distribute the  
 work of the street force in the wards  
 was tabled.

Alderman Baker offered a resolu-  
 tion allowing the Board of Trade the  
 use of committee room adjoining the  
 council chamber, resolution adopted.

The street commissioner was in-  
 structed to use the street force to  
 clean the two cemeteries for Decora-  
 tion day exercises.

Council adjourned at 10:30 after a  
 short but interesting session.

**ORGANIZE! ORGANIZE!!**

**The Friends of Judge Clark Called  
 Upon to Organize.**

Following is a call issued by the  
 executive committee of the Clark and  
 Elective Commission Campaign:

The attention of the friends of  
 Judge Clark and an elective commis-  
 sion, throughout the state, is called to  
 the following:

1. In all counties where there is yet  
 no organization let mass meetings be  
 called and an executive committee of  
 five persons in each county elected.  
 Report the names of such committee  
 to this office without delay.

2. In all counties where organiza-  
 tion has been perfected please report  
 the names of the executive committee  
 to this office as soon as possible.

3. Where Clark and elective com-  
 mission clubs have been organized we  
 desire the name and location of the  
 club, the name of the chairman and  
 the total number of members.

The importance of the above just-  
 fies us in expecting replies from every  
 county at an early day. Very truly,  
 R. B. PARROTT,  
 State Organizer.

*Falling off a Precipice*

is a terrible thing even in dreams. The  
 victim of this frequent form of night-  
 mare awakes with a start and a cry;  
 his limbs bathed in cold perspiration,  
 his heart thumping tremulously.

Moral: Don't sleep on your back,  
 particularly if you are troubled with  
 dyspepsia and nervousness, and use  
 Hostetter's Stomach Bitters to cure  
 these joint troubles. For sleepless-  
 ness, the inseparable attendant of  
 chronic dyspepsia, and its offspring as  
 well the Bitters is a surpassing remedy.

The disordered stomach is the  
 progenitor of numberless harassing  
 symptoms, and the organs of thinking  
 is a faithful reflector of its disturb-  
 ance, in which the liver and bowels  
 also share. If we are to restore quiet-  
 ude to the brain and nervous system,  
 we must reinforce the stomach and  
 regulate the action of the digestive,  
 secretive and evacuating organs.

Prevent and remedy malaria, inac-  
 tivity of the kidneys and bladder, de-  
 bility, heartburn, sickheadaches and la-  
 gripe with this remedy, which has  
 received the unqualified sanction of  
 eminent physicians.
